HVAC Maintenance

Scope of Services

- 1) The successful bidder will perform preventative maintenance which includes testing and inspection of the equipment to ensure the most efficient general operation of the system(s) during the proper operating conditions. (See page 2 for a list of tasks to perform)
- 2) The services are to be provided on the following systems (see accompanying list and map for locations):
 - **Harrison/Franklin Heights**
 - Heat pump systems: 110 heat pump systems in 52 buildings
 - Gas furnace with AC units: 17 units in 6 buildings
 - Aqua-therm systems: 2 units in 2 buildings
 - **Lineweaver** - 61 apartments and 2 offices in 5 story building
 - 91 PTAC units
 - **Lineweaver Annex** – 60 apartments in 5 story addition to JR Polly
 - 95 PTAC units
 - **HRHA office**
 - 286 Kelley Street – HRHA office:
 - 3 systems: 2 heat pumps, 1 gas furnace with ac, (3 outside units with 2 units on roof).
 - **FSS Office:** 143 Reservoir St. 1 Heat pump system
 - **Bridgeport Building** – 160 N #A Mason Street 3 RTU's for upper level and 4 heat pump systems in lower level. Field verify type and quantity. *(This is subject to change as the building is currently being renovated. HVAC systems will need to be verified at time Certificate of Occupancy is granted.)*
 - **Commerce Village:** 11, 21, 31 Elon Rhodes Lane
 - 30 mini split systems
 - 3 Heat pump systems
- 3) Services will be performed in September and April. Services will be invoiced by project indicated in bold type in line #2 above. The contract will be for 1 year. **2017 Fall service to be performed in November, 2017**
- 4) Bidders are required to visit sites to **verify type and quantities of equipment to be serviced**, as well as, for a visual inspection of building and site conditions.
- 5) Preferred status will be provided for emergency calls as part of the Maintenance Agreement.
- 6) Service rates (labor and material) for repairs and service calls outside the maintenance agreement will be included on the bid form.
- 7) All removed items and debris resulting from maintenance work is to be removed from the site and disposed of safely and legally by the contractor.
- 8) Contractor is responsible for protecting underground utilities at or near the worksite from damage.
- 9) All work will comply with all current local, state of Virginia, and National codes.
- 10) Bidding and awards will be according to **HRHA Purchasing and Contracting Policy.**
- 11) Insurance requirements are **general liability** and **workers compensations** on all employees and personnel working on jobsite.
- 12) HRHA reserves the option to extend this agreement in one (1) year increments.

Services to be performed:

Heat pumps, gas furnaces and mini split systems:

- Inspect control box and all electrical components, check for wear and/or damage.
- Inspect motors, belts, fans and air moving components. Clean and adjust.
- Inspect and clean blower assembly (blower housing, blower wheel and motor)
- Inspect and clean condenser coils
- Inspecting operational controls during each maintenance cycle
- Inspect and clean the condensation removal systems including evaporator coils, drain pan and condensate lines. Check for positive drainage. Remove any obstructions.
- Inspect condenser coils and cleaning during the spring maintenance cycle
- Replacement of air filters during each maintenance cycle. Some units may have washable filters that must be cleaned.
- Inspect the general condition and setting of the outdoor equipment. Clean dirt, leaves and debris from inside cabinet. Level heat pumps as needed. Clean and straighten fins as needed.
- Inspect compressor and associated tubing for damage and for correct operation
- Inspect refrigerant for proper charges, adjust as needed
- Inspect refrigerant tubing. Repair tubing and insulation as needed.
- Inspect and service the heating system during the fall maintenance cycle.
- Check thermostat, ensure correct calibration
- Check to ensure that system is operating. Perform other tasks to ensure proper operation. Make recommendations to HRHA maintenance staff for specific addresses or general maintenance
- Provide written checklist indicating each apartment/address has been serviced for each service period. Report any noticed irregularities with the systems, inside HVAC equipment rooms or irregularities on the buildings or grounds to HRHA maintenance staff.
- Necessary repairs and parts made at time of service will be billed at labor and parts rate (see below). Repairs of more than \$75 require approval by HRHA staff.

PTAC maintenance

- Clean front filters and outdoor air vent filters
- Clean front cover, inside and outside
- Inspect cord, plug and control panel
- Check caulking around sleeve. Report if units are not properly sealed to exterior
- Clean pan. Check drain outlets at rear of pan, remove any blockages
- Clean indoor evaporator coil
- Inspect blower wheel, clean as needed
- Inspect and clean condenser coil
- Place a drain pan cleaner tablet in pan
- Check for proper operation
- Provide written checklist indicating each apartment has been serviced for each service period. Report any noticed irregularities with the systems or irregularities in the apartments, buildings or grounds to HRHA maintenance staff.

Necessary repairs and parts made at time of service will be billed at labor and parts rate (see below). Repairs of more than \$75 require approval by HRHA staff.

Bid option:

This is a service that HRHA has option to accept as part of the HVAC Service contract:

Scope of Services for option:

- **Mid-winter (January) and mid-summer (July) maintenance inspection:**
 - Visual inspection of all components.
 - Operational inspection – check to ensure that each unit is heating or cooling. Make repairs or recommendations to improve appliance performance
 - Replace air filters. Some units may have washable filters that must be cleaned.
 - Provide written checklist indicating each apartment/address has been serviced for each service period. Report any noticed irregularities with the systems, inside HVAC equipment rooms or irregularities on the buildings or grounds to HRHA maintenance staff.
 - Necessary repairs and parts made at time of service will be billed at labor and parts rate (see below). Repairs of more than \$75 require approval by HRHA staff.

Addendum D

The provisions #1-4 below are made a part of the HVAC MAINTENANCE CONTRACT as required by the Virginia Public Procurement Act and the Harrisonburg Redevelopment Housing Authority Procurement Policies:

1. Non-Discrimination/Equal Opportunity Employer. During the performance of this contract, the contractor agrees as follows:

a. The contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the contractor. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

b. The contractor, in all solicitations or advertisements for employees placed by or on behalf of the contractor, will state that such contractor is an equal opportunity employer.

c. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this section.

d. The contractor shall not (i) discriminate against a faith-based organization on the basis of the organization's religious character or (ii) impose conditions that (a) restrict the religious character of the faith-based organization, or (b) impair, diminish, or discourage the exercise of religious freedom by the recipients of such goods, services, or disbursements.

2. Compliance with Federal, State, and Local Laws and Federal Immigration law. During the performance of this contract, the contractor agrees that the contractor does not, and shall not during the performance of the contract for goods and services in the Commonwealth, knowingly employ an unauthorized alien as defined in the federal Immigration Reform and Control Act of 1986.

3. Compliance with State Law Business Authorized and Licensed to Transact Business in the Commonwealth: During the performance of this contract, the contractor agrees a contractor organized as a stock or nonstock corporation, limited liability company, business trust, or limited partnership or registered as a registered limited liability partnership shall be authorized to transact business in the Commonwealth as a domestic or foreign business entity if so required by Title 13.1 or Title 50 or as otherwise required by law. Contractor further agrees that it shall not allow its existence to lapse or its certificate of authority or registration to transact business in the Commonwealth, if so required under Title 13.1 or Title 50, to be revoked or cancelled at any time during the term of the contract, and understands and agrees that Owner

may void any contract with a business entity if the business entity fails to remain in compliance with the provisions of this section.

4. Drug-Free Workplace and Tobacco-Free Workplace. During the performance of this agreement, the Contractor shall:

a. provide a drug-free workplace and tobacco free workplace for the Contractor's employees;

b. post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana or use of tobacco products is prohibited in the Contractor's workplace and specifying the actions that will be taken against employees for violations of such prohibition;

c. state in all solicitations or advertisements for employees placed by or on behalf of the Contractor that the Contractor maintains a drug-free workplace and tobacco-free workplace; and

d. include the provisions of the foregoing clauses in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

For the purposes of this section, "drug-free workplace and tobacco-free workplace" means a site for the performance of work done in connection with this Agreement at which site the Contractor's employees are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana or use of tobacco products during the performance of this Agreement.

WHEREAS, this Project is governed by federal, state, and local laws and regulations, and numerous documents have been made a part of this Agreement, the Owner and Contractor agree as follows:

Where there is an inconstancy or dispute among or between the Contract Documents as to any provision, term, or issue, HUD and Harrisonburg Redevelopment Housing Authority documents/provisions, and any provisions required by federal, state, or local law shall take precedence over and control any inconsistent standard within this contract.
